INFORMATIVE NOTE
FOR PASSENGERS AND FLIGHT/SHIP CREW MEMBERS
ENTERING SPAIN

In Spain, a state of emergency has been declared on the health crisis caused by COVID-19.

Special measures have been brought in to restrict mobility and impose stay-at-home rules.

Monitor your health closely during your stay in Spain.

In case of respiratory symptoms (cough, fever), stay at home / place of residence and contact the local Health Authorities on the designated numbers.

If you feel shortness of breath, worsening, or a sense of severity from any other symptoms, call 112.

Follow the health authorities’ instructions at all times.
